Question 1

(Provided Time: 60 minutes)

Read the following passage from Robert Louis Stevenson's *The Strange Case of Dr. Jekyll and Mr. Hyde* closely, paying particular attention to the following literary devices: imagery, figurative language (metaphor, personification, simile, etc), symbolism, tone, mood, irony, foreshadowing, allusion, syntax and diction.

Write an extended formal analysis of the passage that explores how this excerpt relates to the text as a whole. In your response, consider how character, setting and theme are revealed. Ensure writing is legible and paragraphs are clearly indented.
