

Mythology Assignment

Your Task: To work in a group of 2-3 people to research and present a mythological deity to the whole class.

Required Elements:

1. A 4-6minute presentation of your deity. You could include:
 - A power point presentation
 - A bristle board/other visual presentation
 - A short skit/interview format
 - Appropriate costumes
 - A relevant dish/drink that suits your deity

2. A properly-formatted bibliography. Include all the sources you consulted in your research. Note that at least two of your sources must be "hard-copy" (i.e. not from the internet).

3. A **One-Paragraph Character analysis**, analyzing the most important attributes of your deity. This paragraph should follow the structure and instructions from your first paragraph. Be sure to source quotations, and use three different sources. This part of the assignment is individual.

Stages:

Choose a deity from Mythology that interests you. These are chosen on a first come, first serve basis. See Mr. Del Monte to sign up for your choice.

Your deity: _____

Library Work periods. Find as much information online or in book sources as you can about your deity.

Dates: _____

In class presentations.

You will present your deity to the class with your partner (s). Make sure you **rehearse** before you go on stage. You should refer both to the one page handout you have prepared and to any other presentation materials you have decided upon. Be sure to sound excited about your deity! You must also submit your bibliography on presentation day.
